Examples of eligible items include upgrade and maintenance of wheelchairs, vehicle modifications (i.e., hand controls or lifts), home modifications including ramp and elevator installation, and other adaptive equipment.

PLEASE NOTE: Grants are not currently available towards the purchase of new or used vans; funds are available for modifications to existing vehicles.

Grants are disbursed directly to suppliers of the desired equipment or modifications. Individuals making the grant application are required to submit estimates from potential suppliers. Please complete all sections of the application; incomplete applications will not be considered.

Applications are accepted year-round and considered quarterly by the Grant Approval Board.

Grants typically range from \$1,000 to \$3,000; there is no minimum award.
